

**SLOTH REHAB INTERNSHIP IN
COSTA RICA**

- HEADQUARTERS -

TOUCAN RESCUE RANCH

The Toucan Rescue Ranch's (TRR) mission is to rescue, rehabilitate, and release Costa Rica wildlife. TRR works with a model that focuses on conservation, education, and research to ensure a brighter tomorrow for Costa Rica wildlife. TRR's emphasis is on the care, rehabilitation, and release of national wildlife. We receive and care for confiscated, sick, and injured animals from government agencies.

The Toucan Rescue Ranch works closely with the Ministry of Environment and Energy of Costa Rica (MINAEC) who brings injured and displaced wildlife to the center. TRR provides sanctuary while giving treatment and rehabilitation. Whenever possible the animal is released to their natural environment.

The Toucan Rescue Ranch is a licensed Costa Rica wildlife rescue facility, Costa Rica foundation (300667701803) and a 501(c)3 nonprofit organization (EIN: 80-0516453).
